Following Jesus is more complex and challenging than anybody expects when they start out on the journey. It's not just attending church, reading your Bible and minding your Ps and Qs; it is an adventure filled with wonder and difficulty, with unlearning and relearning. In *Deep Like Me*, pastor Rick Bundschuh shares what he had discovered about shuffling after Jesus, and invites readers to wrestle, grieve, re-evaluate, redirect, focus, contemplate, be still and get real about living the life of a disciple. Rick's story-driven musings are explorative instead of instructive, contemplative rather than confrontational, yet he warmly invites the reader to stride, stumble, shuffle or crawl in the footsteps of Jesus. *deep like me* Download *deep like me* or read online here in PDF or EPUB.
