In today's competitive real estate market buying property is one thing, but successfully managing and leasing your real estate investment can be an entirely different story! The Real Estate Property Management Guide covers all aspects of residential and commercial real estate property management including: How to make sure you're buying the right property for you, how to choose a name for your holding company, how to find and keep good trades people, tenant leasing and management, how to market your property, and most importantly, how to close the deal! The Guide is written for both new and experienced real estate investors. Whether you're investing in a single family home, an apartment building, a shopping center or an office building you'll find useful, real-world, actionable information that you can put to use right away. The author of the book, Jeffrey Roark, has over 25 years of experience in all aspects of the commercial and residential real estate markets and the Guide is filled with his hands-on, practical experiences to show you how to property manage real estate the right way!
