The "Way of Loving the Lord" is very different from many of the books in the Christian Way Series. It is not an attempt to present the Bible position on some aspects of Christian Truth. Rather, it is an expression of the yearning, longing - the spiritual emotions of my heart - after the Lord Jesus. I believe that there are some who yearn in an increasing way for the Lord, and in whose hearts the evidence of His soon coming awakens, with each passing day, greater desires to see Him - the Hope of the Ages - face to face. It is because of the presence of such saints in the church today, though their number be few, that I dare share these feelings of my heart in this way. I send this book out with prayer, that many hearts be touched to seek the Beloved, and that such seekers should pray for me so that the Lord may soon grant the one desire of my heart - to know Him and to see Him face to face.
