In 1987, medical transcriptionist Patricia Pereira suddenly started receiving telepathic communications from the star Arcturus and was requested to begin a series of galactically inspired manuscripts, Arcturian Songs of the Masters of Light is the fourth volume in the series. The mission of this series of books is to awaken us to our individual and collective spiritual obligation for the health and well being of our planet and all creatures who live upon her. Philosophical in cope, the essays in these books provide pragmatic, practical suggestions for emotional, mental physical, and spiritual transformation. They remind us of our familial relationships to beings of light who inhabit the great star nations. Arcturian Songs of the Masters of Light moves beyond solely Arcturian energies to incorporate high-level representatives of the brotherhoods of light, including Christ Essence and Sanat Kumara of the Order of Melchizedek.
