Take my life, and let it be consecrated, Lord, to Thee. Take my moments and my days; let them flow in ceaseless praise. Autumn Young Pyorisaari never imagined the words to the timeless hymn would become her life's largest challenge. A diagnosis of breast cancer will test the promise that faith will be enough to carry her through, no matter which turn the trial takes. As Autumn struggles with the monster every woman dreads facing, will her moments and days be filled with fear and doubt or flow with endless praise? She learns to lean more heavily on the family that surrounds her and walks the road alongside her.
