Most of people meets difficulties, trying to create interior design of own house independently.

But even the address to the professional designer isn't guarantor of the fact that the customer will receive such interior in which to him it will be convenient, cozy and comfortable to live. There are several secrets of design which will help to make the house cozier irrespective of the chosen style of an interior. Elementary house cleaning, disposal of an excess decor and unnecessary trifles will make the house much more cozy and more attractively. Pure windowpanes, the shining furniture, lack of the scattered things turn the most simple interior into the warm and hospitable house in which, apparently, walls radiate cozy rest.
