Rose McAllister needs a place to hide, somewhere her abusive ex-boyfriend can't find her. A nursing position at the trauma center in a tiny rodeo town seems the perfect solution. Until she meets Bass Newcomb.

The rodeo clown's wit and charm quickly threatens her plan to remain secluded. A third generation bullfighter, Bass Newcomb refuses to let anything come between him and his beloved profession—especially an undiagnosed ailment he is trying desperately to keep hidden from those around him. So when a pretty new nurse treats him at the trauma center, he decides to get close enough to make sure she doesn't accidentally mention his illness to the wrong person. He's not ready to hang up his rodeo sneakers just yet. But what starts out as a game of cat and mouse soon turns into a battle of hearts as Bass finds himself becoming her rodeo man.
