Winner of 34 different publishing awards, this 10-minutes-per-day comprehensive program helps children ages 0 to 6 develop coordination. Tennis pro and master coach Karen Ronney offers a step-by-step handbook with over 200 games for parents who want to jump-start their child's fundamental skills, self-confidence, and sports potential while creating a lifestyle of family fitness. She offers an in-depth explanation of a child's development, their learning styles, with physical and brain anatomy and growth facts, and how simple, fun activities can be the key to unlock their abilities in every area of life. Includes recent scientific and academic research, progress charts, how to incorporate purposeful play, and even helps for families with special-needs kids. Part One: How Your Child Develops Learning Styles Building Better Brains Sensory Integration Fine Motor Development Right- or Left-Handed Gross Motor Development Coordination and Sidedness Rules of Play and Praise Part Two: Games Warm-up and Stretch Crib Capers Athletic Activities One.
