Collects Parts 34 – 67 of the weekly serial, Seven Stones. The quest to purify the Stones brings Kobb and Anessa back to Morth, her home village; a home she fled after villagers attempted to execute Kobb. If fighting possessed strangers made her ill, how will she oppose her own people? And, even if she can, how will she leave her father a second time? The demands of the quest have already forced both Kobb and Haelen to compromise.

Now Anessa must decide how much of her innocence she is prepared to sacrifice to end evil.
